Kansas came with four thousand of his millionaires' habit.

The Ohio Republicans feel confident of electing four in Congress this year.

The key-note to the Democratic campaign is one which will make the North solid.

Whenever an ex-Confederate opens his mouth to talk for the Democracy, he creates a little Republican boom.

Mr. Tilden proposes to show the Democrats what it will cost them not to have condoned and at the Cincinnati convention.

The Democrats will find it up-hill work his campaign to limit against the revival of trade and the improved public credit.

The principles of Lee and Jackson for which the Democrats are fighting, improve the Republican prospects in every Northern State.

The return of Hon. I. C. Sloan, of Madison, to the Republican party, will be the means of retaining a good many Liberals of 1872 to the Republican fold. They don't like to go South to join a political party.

A prominent Greenbacker at Cottage Grove, Dane county, named W. F. Uphoff, has come out for Garfield and Arthur. He considers the Greenback party dead, and the Democrats of the North have been swallowed up by the Confederates of the South, and hence his reasons for becoming a Republican.

More than one-fifth of the National Congress is made up of ex-Confederates. Here are the figures:

Democratic Senators..... 12
Of these, ex-Confederates..... 10
Democratic Representatives..... 116
Of these, ex-Confederates..... 28
According to these figures 28 per cent. of the Democrats in Congress are ex-Confederates, and these are the men who assume the right to control the executive branch of the government.

Mr. English is evidently becoming scared of the situation in Indiana. He has written the National Democratic committee that he will furnish all the money that is needed for the Indiana campaign. Billy will now be bled for the first time in his life. The money wrung from the poor men and women of Indiana will now be used in the attempt to carry the State for the Democrats. But the scheme will fail.

For Coroner—O. ALLEN, of Milton.

JOINT TOWN.

Tally one more for the census of Johnstown, born to Mr. and Mrs. Edith Keith another boy, eleven pounds. Mother doing well, and father as happy as a millionaire.

Mr. and Mrs. John Zull have gone on a two weeks' trip to Algona, Iowa, visiting relatives.

George Myers, of Randolph N. Y., and J. B. Storer, wife, and W. B. Storer and wife, of Woodstock, Ill., have been visiting their relatives, Mr. and Mrs. Fred Myers.

James Hamilton smiles—a girl.

Mrs. Maria Fleicher has gone on a visit to Clear Lake, Iowa.

EMERALD GROVE.

The excessive rains of last week have made our roads very muddy and in many instances caused the grain to grow in the stacks.

The ground is now in fine condition for fall plowing, if not too wet in some places.

A very pleasant social event took place here on Saturday afternoon last, viz., a surprise gotten up in honor of Gilson Henry, Esq., and wife, of Boston, who are visiting relatives here. The friends assembled at the residence of Mrs. Spear, Mrs. Henry's sister, although owing to the bad weather, not as many guests as were expected. It was the thirtieth anniversary of their wedding, and two beautiful articles of silver were presented them by their friends and relatives, accompanied by their heartfelt congratulations.

Rev. H. A. Miner, of Madison, spent last Sabbath here and presented the interests of Beloit college. Over thirty dollars were raised for the college which was afterwards increased to fifty dollars before Mr. Miner went away. It is likely that more yet will be raised by the Emerald Grove people for this good cause. Mr. Miner preached an able discourse in the evening to the young, which was listened to with breathless attention.

S. H. & A. E. Joiner, the well known breeders of thoroughbred Suffolk hogs, will exhibit their herd at the State fair at Madison, next week, and the week after at Oshkosh.

Remember that Squire & Minger take subscriptions for the best paper in the county, the Janesville Gazette.

MILTON.

Unto Miles C. and Caroline M. Rice a daughter is born. Her first birthday anniversary will be August, 30th, 1880.

This locality has been a paradise for a week to those who long for the rain and fog of "hoid hought."

T. H. Alexander, of Mason City, Iowa, was in town last week visiting friends.

Rev. T. R. Williams, D. D., acting President of the college, arrived in the town Monday from Alfred Center. He is accompanied by his sons, the eldest of whom, Wardner, will take charge of the music department of the school during the coming season. Mrs. Williams remains in New York State for a time, and President Williams and sons will live in rooms at Goodrich hall for the present. We bespeak them a cordial welcome at the hands of Miltonians.

L. C. Clark, of Chicago, general agent of the Chicago Masonic Insurance Company was in town this week, the guest of his cousin, D. C. Burdick.

Professor A. R. Crumhall, of the University of Kentucky, arrived in town Monday, to spend a few days with his family before beginning his labors in the University.

On Monday afternoon Charles W. Spencer, of Edgerton, and Florence A. Estee were united in marriage by Rev. E. M. Dunn, the ceremony taking place at the residence of the bride's father, Dea Estee. Some thirty relatives and friends were present. The happy couple have the hearty congratulations of their many friends here and elsewhere. Mr. and Mrs. Spencer have gone to Devils Lake on a wedding tour.

MILTON JUNCTION.

Mr. A. W. Maxon returned from his Texas trip on Saturday. His visit was confined mostly to the vicinity of Taylorville, near Austin, and we understand that he is so well pleased with the country and its facilities for stock raising, that he intends moving there soon, and engaging quite extensively in sheep farming.

Prof. O. E. Larkin left here on Monday, for Viroqua, Vernon county, to attend a teachers' institute to be held there and to enter upon his duties as Principal of the graded school in that place. Mr. Larkin is a thorough student and a young man that any community may well feel proud of welcoming to their best society.

Prof. J. B. Estee left on Tuesday morning for Bloomington, Illinois, where he purposes spending a year in the University, to perfect his course in languages. The Professor, though quite a young man, has already reached an advanced stage of scholarship, and was one of our best scholars who took the State certificate at the late State teachers' examination, a rigid test, requiring advanced scholarship to win.

Miss Florence Estee, daughter of Deacon Henry Estee, of this place, was married on Monday afternoon, at 2 o'clock, to Mr. Charles Spicer, of Edgerton. The ceremony took place at the home of the bride. Rev. E. M. Dunn, of Milton, officiating. Mr. Spicer is a resident of our neighboring village of Edgerton, where the young couple will make their home for the present.

Mrs. Clisbee, of St. Louis, a niece of Mr. S. C. Carr, and who has been visiting relatives here for some weeks past, left for her home on Monday of the present week.

Miss Libbie Kelley left here on Monday for Columbus, Wis., where she will permanently reside.

The Rev. Mr. Leavitt, Universalist minister from Fort Atkinson, will preach at the Junction in Morgan's hall, Sunday, September 5th, at 11 o'clock in the forenoon.

Mrs. Josie Mallory, of Rock River, and Mr. Doty Samuels, of Albion, were united in matrimony on Friday last, at Albion.

The Rev. D. R. Grover, of Lima, pastor of the United Brethren church, in North Fulton, has moved his family to the Junction, where he has rented a home for the present.

We understand that Messrs. Weed & Mills are building a cider mill in the rear of their shop, on Merchants' Row, where the surplus apples will be converted into juice.

The wind storm of Friday afternoon, although very severe for a time, did no damage so far as heard from, except the blowing down of a tobacco shed near Grass Lake, owned by James Kelly, and another building near the same place. The shed was a pole frame, and went all in a heap.

The demand for lumber at the Junction, during the past few weeks has been in the nature of a run, lumber being drawn from the yard as fast as it could be unloaded from the cars, and it has been impossible to get cars fast enough to meet the demand.

The "impervious" rally at Clear Lake, last week, was very nearly broken up on account of the rain. We'll play afternoon the workers took shelter from the rain by holding a session on the Methodist church, in the evening.

Deacon G. H. Sturges, on Tuesday, for Milton, on a short visit to friends there.

Mr. S. O. Soper is spending a few weeks in Milton, his old home, visiting. W. O. Decker is moving the store during his absence.
